About AGE 2024

For this first edition of AGE, the neosellen team is joining forces with the leadership of Liceo Maior to organize, with the support of other partners, the network's first in-person event.

A cultural and artistic exchange open to both members and non-members of the network, and a unique experience for the students of Liceo Maior.

To further engage the school community, neosellen is partnering with Epic Games, customizing a selection of Fortnite skins for a very limited time.
