About SALE 2025

SALE (Sirens in Arts & Literature Event) is a spin-off of the AGE (Ancient Greek Event) series, born from the partnership between the Neosellen network and the University "G. d'Annunzio" of Chieti-Pescara. Both communities had long felt the need to merge their visions into a single event. What set the date was the International Day of Sirens. Though small in scale, the event marks the conclusion of a journey that began at AGE 2025, held at the Palace of the Province in Chieti, and continued through numerous gatherings online and in Pescara.
